Dear Sir/Madam,

Council is in receipt of an email from IPART advising of the need to forward advice if Council is seeking to either:

- apply a SRV, or
- increase a minimum above \$2

for 2016/17.

While Council will not be seeking a SRV it will, as it has done for many years, be seeking to increase its TID Fund (Special Rate) minimum amount above the \$2 statutory level.

Yours faithfully,

Phillip McMurray
General Manager
