Submission: To whom it may concern Please support the councils rate rise as it is the only way to make sure the important road, bridges, sporting ovals etc get the maintenance and replacement required. Despite the selfish anti rate rise advocates scare campaign that has no alternative suggestions to the problem, the plan the shire council has will help stop the lack of spending on these important community assets. Again, please support the councils plan as it is a modest increase and will benefit the entire community. Thanks ■■■
