Date of submission: Tuesday, 24 February 2015

Submission: Please accept my submission in support of Eurobodalla shire council 's rate increase. Despite the negative comments in the media by vested interests, councils well articulated application ensures that a focused approach identified funding shortfalls in maintenance and renewal, whilst providing new infrastructure that will make the Eurobodalla the envy of the state. Your support of the application is important to,ensure that responsible actions are utilised to accommodate prudent financial management.
