Dear Mr Camenzuli

RE: SPECIAL RATE VARIATION APPLICATION

I advise that Council has resolved to make application for a Special Rate Variation to commence in the 2017/18 financial year. The increases are proposed to be permanent.

I will be Council's principal contact until 31 December 2016. Thereafter the principal contact will be my successor Peter Veneris.

The remainder of the requested inclusions are contained in the resolution printed under being Minute Number 327/16 which states:

'RESOLVED on the motion of Councillors Verdon and Marsden that Council apply for a Special Rate Variation to commence in the 2017/18 financial year of 4.6% per annum inclusive of rate pegging cumulative for 10 years for the purpose of increasing Council's own source revenue and to be applied to the provision of community infrastructure including flood mitigation works, road restoration and swimming pool refurbishments.'

I trust this is all the information needed at this stage. However, if you need additional details, please contact me at your convenience.

Yours sincerely

Rod Shaw
GENERAL MANAGER
