12 Pop out	<b>Resourcing the Delivery Program 2018-21</b> We are currently undertaking community engagement to ask your views on three options for Council’s delivery of planned programs over the next three years. For more detail on these options and how you can have your say, please refer to the Appendix to this Plan.	<b>Community Consultation</b> Refers to engagement activities undertaken to determine community views on funding options for delivery program.
16 Para 3	We will support national policies and strategies such as the Australian Government’s Smart Cities Plan and Protecting Crowded Places from Terrorism Strategy. For example, Council has a key role in designing and creating safe and attractive places for people to gather, interact and enjoy.	<b>Purpose of application</b> Provides detail of Council’s responsibility to support Protecting Crowded Places from Terrorism Strategy and how this may be implemented.
22 Para 3	We are also responsible for the safety and wellbeing of our community and we will work with others in response to changing trends to protect people in our public places, while creating enjoyable places to gather.	<b>Purpose of application</b> Provides detail of Council’s responsibility to support Protecting Crowded Places from Terrorism Strategy.
22 Pop out	<b>Protecting Crowded Places from Terrorism</b> Council has a responsibility for the safety and wellbeing of our community and to help protect crowded places from terrorism. We will do this in close partnership with other authorities. Council’s Australian Local Government Association is a member of the National Crowded Places Advisory Group. Through this partnership, Council has a responsibility to develop, implement and regularly test protective security measures in places where many people gather. We will do this through the design of safer places and the installation of protective infrastructure such as bollards; implementing protective technologies; and working with other authorities in managing crowds. Our anti-terrorism measures will be resourced and actioned from our Long Term Financial Plan and Asset Management Strategy.	<b>Purpose of application</b> Provides detail of Council’s responsibility to support Protecting Crowded Places from Terrorism Strategy.
23 Pop out	<b>ICT Digital Strategy</b>	<b>Purpose of application</b>

	<p>Council is enhancing the way we do business with our customers by adopting new technologies, work practices and new ideas in responding to our customers' needs.</p> <p>We will endeavour to make our services available to our customers at any time, on any device using digital technologies should they choose.</p> <p>Our new Information and Communications Technology (ICT) Digital Strategy outlines how we plan to use digital technologies to improve our service delivery. The strategy centres around five outcomes which are to provide:</p> <ul style="list-style-type: none"> <li>• better services;</li> <li>• better communication;</li> <li>• better value;</li> <li>• more security; and</li> <li>• more efficiency.</li> </ul> <p>Through the strategy we will investigate smart city intelligent technologies such as sensors to alert us when litter bins at our popular sites require emptying.</p> <p>We will implement technologies and work with other agencies to help keep our community safe. We plan to expand our surveillance camera system into more public areas to manage potential risks from crime and terrorism.</p> <p>So that we remain connected to our community and to better understand its needs, we will expand our use of collaborative communications such as social media.</p> <p>For more information refer to our ICT Digital Strategy.</p>	<p>Provides link to Council's Digital Strategy and detail of its implementation.</p>
<p>27 Direction Action</p>	<p>1a: Council has a long- term vision based on sustainability. 1a.4: Provide for safe public places where people gather</p>	<p><b>Purpose of application</b> Details Council's responsibility to implement initiatives to protecting crowded places from terrorism.</p>
<p>27 Direction Action</p>	<p>1a: Council has a long- term vision based on sustainability. 1a.5: Implement Information and Communications Technology (ICT) Digital Strategy to ensure Council's adoption of innovative technology which meets customer and business needs.</p>	<p><b>Purpose of application</b> Outlines plan to implement Digital Strategy.</p>

41 Column 2 para 3	Increasing visitor numbers combined with our large number of multi-unit housing has seen our public spaces and recreation areas become increasingly popular. It is essential that our public spaces and recreation areas are inviting, well designed, multipurpose, safe, attractive and easily maintained.	<b>Purpose of application</b> Demonstrates need to maintain and construct facilities to meet the changing needs of the community.
49 Pop out	<p><b>Buildings for our Community program</b></p> <p>In 2010 Randwick City Council’s Buildings for our Community program was approved by the Minister for Local Government for a three-year s508A Special Variation to General Revenue to provide funding for a seven-year building capital, upgrade and replacement program.</p> <p>While the initial seven year implementation period has now been reached, Council will continue the Building for our Community Program as a long-term strategy to provide our community with improved and additional facilities that contribute to public amenity and the wellbeing of our residents and visitors. Under the Program we have delivered new buildings and amenities as identified as needed by the community, as well as upgrading existing buildings to ensure their use into the future. We have made a commitment to keep the community involved in the Program, including a promise of ongoing engagement with its implementation and consultation on each of the major projects.</p> <p>Major works completed since the commencement of the Buildings for our Community program include the upgrade and extension to the Des Renford Leisure Centre in Maroubra, the upgrade to the Coogee Eastward Senior Citizens Centre, construction of the Kensington Community Centre, remediation of several historical monuments and the construction of new amenities at Coogee Beach.</p> <p>Proposed projects planned in the next three years include:</p> <ul style="list-style-type: none"> <li>• a new multipurpose indoor sports centre;</li> <li>• new gymnastics facility; and</li> <li>• upgraded tennis facility. These facilities will be provided as part of the staged redevelopment of Heffron Park.</li> </ul>	<b>Purpose of application</b> Provides description of Council’s Buildings for our Community program through which many of the proposed major projects will be delivered.
50 Para 2	Asset management seeks to identify, maintain and monitor our infrastructure assets in such a way that the whole community benefits and intergenerational equity is ensured.	<b>Financial sustainability</b>

		Demonstrates the case for borrowing to provide assets benefiting the whole community and ensuring intergenerational equity.
54 Direction  Action	6a: Our public infrastructure and assets are planned, managed and funded to meet the community expectations and defined levels of service. 6a.1: Continue asset management planning to deliver infrastructure assets that ensure intergenerational equity and meet Council’s obligations as the custodian of our community’s assets.	<b>Purpose of application</b> Outlines need to maintain and construct facilities to meet the changing needs of the community.
