Note the relevant audit panel classifications are lead auditor or auditor. We no longer include the area specialist classifications on our audit panel.

For sustainability assessment please select an auditor from either sewage management or recycled water quality as appropriate for your scheme.

For environmental audits please contact IPART at compliance@ipart.nsw.gov.au for approval of a nominated auditor.

For retail management operational audits please select an auditor from the licence and regulatory compliance category or contact IPART at compliance@ipart.nsw.gov.au.
