Dear Sir/Madam,

### **Special Rate Variation**

Bogan Shire Council wishes to give notification of its intention to apply for a Special Rate Variation under section 508A of the Local Government Act.

The proposed rate variation will be for 1.5% per annum for 7 years as specified in the Long Term Financial Plan attached to Council's Fit for the Future Submission. This equates to a total rate increase, over and above the rate cap of 10.98% over 7 years.

The annual increases will remain permanently within Council's rating structure.

The additional money raised will be used on upgrading Council's infrastructure, specifically roads, as detailed in Council's Fit for the Future application.

Council's contact for this application is Luke Taberner, Manager Corporate Services who can be contacted on [REDACTED] or [REDACTED]

Yours sincerely
