**Re: Intention to Apply for a Special Rate Variation**

Dear Derek

Council in accordance with Section 508A of the Local Government Act hereby notifies IPART of its intention to apply for a Special Rate Variation for the 2018/19 financial year.

Council is seeking a permanent 10% increase (inclusive of the rate peg) over a two year period; 5% in year one, and a further 5% in year two.

The purpose of the Special Rate Variation is to help clear the back log of road maintenance and improvement projects within our local road network.

The Council's principal contact will be Mr. Michael Chalmers [REDACTED] should you have any questions regarding this matter.

Yours faithfully

[REDACTED]
