Dear Mr Burgess

I refer to Council's application for a special variation to general income for 2008/2009.

The Minister has approved of the Council increasing its general income by 7.70%.

Council's general income is determined as follows:

	\$	%
2007/2008 Notional General Income (Adjusted)	10,049,032	
Plus 2008/2009 General Variation	321,569	3.20
Plus Catch up/(Excess) Adjustment	-9,989	-0.10
Less Valuation Objections	19,587	0.20
Income Adjustment		
Special Increase	442,401	4.40
	<u>10,822,600</u>	<u>7.70</u>

The approval is subject to the conditions set out in the attached instrument.

The Minister's approval is on the understanding that the Council makes and levies its rates according to the provisions of the *Local Government Act 1993*. It should be noted that this approval is not an endorsement of the Council's rating structure or the projects that Council is planning to undertake with the additional funding.

It is also on the understanding that Council will continue to review its operations to identify where further efficiencies and tangible savings can be achieved. By applying this special variation all prior period shortfall or excess is eliminated.

Yours sincerely
