Dear Ms Milne

SPECIAL RATE VARIATION

Thank you for taking the time to talk with me and my colleagues last month regarding the requirements for special rate variation applications for 2014-15.

I wish to advise that, in February 2014, Council intends to make application for a one-off permanent special rate variation of 9.55% under s.508(2) of the Local Government Act 1993 to continue the additional annual work (funded by the existing special variation) on the renewal of priority roads across the local government area.

Council's Integrated Planning & Strategic Property Manager, Ms Bronwyn Rumbel, will be the contact person for this special rate variation application and she can be contacted on [REDACTED]

Yours faithfully
