13 June 2023

This instrument is made by the Independent Pricing and Regulatory Tribunal (**IPART**) as delegate for the Minister administering the *Local Government Act 1993 (Act)* (delegation of 6 September 2010).

IPART determines under section 508A of the Act that:

1. The percentage by which Federation Council (**Council**) may increase its general income for the period from Year 2023-24 to Year 2024-25 (inclusive) is 39.2%, consisting of annual increases as set out in the table below:

Year	Annual increase in general income	Cumulative increase in general income
Year 2023-24	19%	19.0%
Year 2024-25	17%	39.2%

[Note: The Council is required to reduce its income in accordance with the conditions of any previous special variation instrument before it increases its general income in accordance with clause 1.]

2. The percentage increase set out in clause 1 is subject to the following conditions:
 - a. The Council use the Additional Income for the purpose of funding the Proposed Program.
 - b. The Council report in its annual report for each Year from Year 2023-24 to Year 2024-25 (inclusive):
 - i the program of expenditure that was actually funded by the Additional Income, and any differences between this program and the Proposed Program;
 - ii any significant differences between the Council's actual revenues, expenses and operating balance and the projected revenues, expenses and operating balance as outlined in its Long-Term Financial Plan, and the reasons for those differences;
 - iii the outcomes achieved as a result of the Additional Income;
 - iv the productivity savings and cost containment measures the Council has in place, the annual savings achieved through these measures, and what these savings equate to as a proportion of the Council's total annual expenditure; and
 - v whether or not the Council has implemented the productivity improvements identified in its application, and if not, the rationale for not implementing them.
 - c. The Council reduce its general income for Year 2025-26 to what it would have been, had the annual permitted increase for each Year from Year 2023-24 to Year 2024-25 (inclusive) been the rate peg determined by IPART under section 506 of the *Local Government Act 1993* for Federation Council and not the percentage increase set out in clause 1.

-
3. In this instrument:
- a. **Additional Income** means:
 - i the additional general income raised in accordance with clause 1, less
