Submission: I currently live in the Marrickville area and have done so all my life (49) years. I have seen the area grow to what it is today and believe the Council has full credit for it. Marrickville is well known for it's festivals and I believe if the proposal to amalgamate Marrickville with the other councils goes ahead the community feel would be lost. Council cares about its residents whereas a bigger corporation would not. Please consider the majority of the residents who don't want amalgamations. WHY TRY FIX SOMETHING THAT ISNT BROKEN.
