Submission: I wish to register my opposition to the amalgamation of Marrickville, Canada Bay, Ashfield, Burwood, Leichhardt and Strathfield councils to create an 'Inner West Super Council'.

Residents will lose a more focused strategy, the budget will be spread more broadly and I have no faith that it will be applied fairly.

Currently, I have no trouble when contacting Marrickville Council in getting through to the appropriate person. Under a super council, resources will be fewer for a greater number of people resulting in poorer service.

I oppose this amalgamation.
