WE. WISH. to object to the proposed Shoalhaven Rate.  
Rise of. 28% over. Two YEAR'S.

Shoalhaven City Council has already in past years  
Received a special Rate Rise and. wasted the Money. and again  
they have not told us. why they can not manage their finance's.

Shoalhaven City Council has. a white Elephant in the  
Shoalhaven Entertainment Center. which does not Pay for  
ITSELF and need's 10 million spent on it. - Not the RATEPAYERS  
Decision - AND. this is only. upkeep & MAINTENANCE.

They HAVE. Proposed NO NEW. WORK. - They should tighten their  
Budget. & Expense's FIRST.

MANY OF OUR. ELDERLY Residents are just making END'S  
meet. & This will send a lot of them to Charities & Centerlink.  
For. Financial help.

OUR. WAGE'S only go up the. C.P.I. and Shoalhaven city  
Council Rates should only be allowed to Increase the RATES BY  
the. C.P.I.

Thank you.
