Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	This council needs an independent audit. We need to know where all our money is going. The council is not being managed appropriately. We are not a wealthy locality but our rates are one of the highest in the state. The Richmond Valley has a larger council area and they do a better job on infrastructure maintenance and have lower rates than Lismore council. In the last 2 years more small businesses have closed than open in Lismore. Our town is dying. We can not afford to have a rate rise. We don't need one, council needs to manage the money better. I say no to a rate rise and I say sack the lot of them, bring in people who understand business and can run a profitable and well maintained region.
Your comments on Criterion 1:	No to rate rises.
Your comments on Criterion 2:	We are aware the council want to raise the rates. I say no to rate rise
Your comments on Criterion 3:	I can not afford and extra $600 a year for council rates. No one can. I say no to rate rise
Your comments on Criterion 4:	Still no to rate rises
Your comments on Criterion 5:	I feel this council has np idea how to manage money so giving them more will not fix the problem they will just waste it. The council needs to go
