Subject: port stephens council srv proposal

I wish to submit my opposition to port stephens councils proposed srv . In my opinion the council management lack direction and are entitlement driven . Staff are blessed with over generous working conditions including free daily fresh fruit and other meals (some ratepayers can't afford fresh fruit). Staff are paid \$15000 per year on top of their generous wage to supply their own vehicle , most staff only use their vehicle to and from work . The ratepayer should not be paying for these rorts and it is an insult to be asked to pay more . Council needs to get their house in order first. Thankyou
