If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	<b>I support the application. If the council is to flourish into the future, this rate increase is essential.</b>
Your comments on Criterion 1:	<b>Council clearly needs more funds to operate, in the absence of State funds (thank you cross shifting), funding must be sourced elsewhere. This rate increase assists.</b>
Your comments on Criterion 2:	<b>It has been well communicated.</b>
