If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	as a pensioner ratepayer of this council i strongly oppose this hefty increase, there is already a number of people who cannot afford the current rates. We are already one of the highest rated councils in nsw and have one of the lowest incomes. It is my opinion after living here for 36 years that no matter how much money this council gets, that they are not capable of fixing the roads that they need the money for. If you go ahead with the increase as asked i believe you will be forcing even more people in rate arrears.
