Submission: I have lived here in Lilyfield for over 16 years and want to praise the Leichhardt Council on the way it treats issues and communicates to the ratepayers and visitors...  
They come across to me as a tight Team, and I feel confident that when I ring or deal with the Council, my 'problem or question' is looked at and solved practically on the day....  
The Ol' saying that 'Bigger isn't Better' is so true....  
Again it's also the Quality rather than Quantity that will help our Community...  
Thanks for your time,  
Regards
