If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	To whom it may concern I am sorry if this is not filled in properly but please except this as my best way of explaining myself. I can not understand way the lismore city council has even applied for a special rate variation,when after extensive consultation with sporting groups, small business and average rate payers, we have been total ignored by LCC. With the cost of living rising much faster then wages, many families, farmers, small and large business still suffering the effects of drought terrible fires in this area, and now the affect of the corona virus starting to play havoc on the countries economy,this council needs to put there wish list on hold which is what the community has tried to tell them but we may as well be talking to a brick wall. Thank you for your time kind regard [REDACTED]
