If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	<p>Lismore City Council are trying to raise our rates to exorbitant levels purely out of total miss management. The LCC rates are already ridiculously high, if the SV increase goes ahead this town will go under.... no one will be able to afford to live in the LCC governed area, the knock on affect will ripple far and wide.</p> <p>I don't fully understand or know how to make my objection heard but I do know this town is already suffering from recent floods, draught, fires and more floods, the rates and rents are already unaffordable to many, the shops are empty, the area just can't afford this SV. LCC needs to take a good hard look at how it's managed/mismanaged and not penalise the rate payers for their incompetence.</p>
