Submission: Eurobodalla shire council's rate rise is supported by myself and those who have bothered to available themselves of the easily available information. Those who agitate against the increase do, in my opinion, not have enough information to make a decision. This is a deliberate choice as the council has contacted all ratepayers directly by mail. Please do not listen to the vested interests and [REDACTED] minority, isten to the informed, quiet majority like me and support the rate rise.
