Subject: Shoalhaven Rate Increase

Good morning

I would like to register my objection to the ridiculous rate increase that my local Council has applied for.

The local Shoalhaven Council has the audacity to announce that there was a surplus in the last budget and then in the next breathe ask for 33% increase on rates.

When I receive a 33% pay increase, pigs will fly! So how am I and other low paid average rate payers expected to pay these continuing increases.

Please reject their request.
