Submission: The shire is being run in a communist fashion, with all our money being spent in Scone. Other towns in the shire get very little or nothing, even after previous rate rises. This council has been reckless with spending money where it isn't needed, and putting other fully funded projects on the backburner - like Murrurundi's water security. No rate rise should be permitted until Murrurundi has water, but this council believes an equine stadium is more important. One is vital for life, the other,,,,,, well EVERYONE goes to Tamworth for that.
