Subject: Proposed Rate Rise

Dear Sir/Madam

It is my understanding that an application is now before the Independent Pricing and Regulatory Tribunal by the Shoalhaven City Council. As this is now before you I wish to register with your Tribunal an objection against the proposed 28% increase over two (2) yeears.

This rate rise is not an amount that the ratepayer should have to bear in times when the public are faced with everything rising and income static particularly in an area that has an high number of aged residents who struggle at the best of times. Therefore I personally would appreciate if you would register my objection to this outlandish rate increase in the strongest possible objection.

Yours faithfully
