Submission: I am opposed to Bankstown Council's proposed boundary change.

The reasons for oppositions are as follows:

Lack of consultation and consideration of the views of affected residents and businesses by Bankstown Council, I am satisfied with Strathfield Council's management of the area and object to having my property and services transferred to Bankstown Council, I identify with the Strathfield community, not the Bankstown area., I am concerned this takeover would result in increased Council rates because land values of properties in the Strathfield Council area are considerably higher than Bankstown Council. This may also affect property values, I note that Bankstown Council has revenue shortfalls and are proposing significant rate increases to pay for its own revenue shortfalls, debts and asset backlogs, I am concerned for the loss of community facilities, parks and open spaces and declines in standards or service and infrastructure management if taken over by Bankstown Council
