Subject: Re: 2019-2020 Dungog Shire Council

This takes the cake 16 million for bridge up grades, They have a deal with [REDACTED] to repair the roads due to a court win a few months ago which they are getting money per load trucked out of the quarry for and still want to take us for a rate rise thats unfathomable. Bet we see a whole heap of new council vehicles for members being bought or wait even maybe some of those really useless expensive gravel trucks that im sure are not cheap which fill pot holes full of dry gravel then it gets washed straight back out!!! Well worth my hard earned cash for sure. Doesn't take a genius or a politician to work out if you drive down the main street of Dungog or the surrounding streets that if you cant fix roads in the main street of the shire that no where else is going to see any improvement or benefit come from the rate rise.

Welcome to the latest edition of Message from Michael.

This edition's subjects:

NSW Nationals To Fully Fund Muswellbrook Bypass;

Dungog Shire Receives \$16 Million Commitment For Bridge Repair Funding;

Funding Delivered for Quirindi High School P&C Association.

NSW Nationals To Fully Fund Muswellbrook Bypass

I have lobbied my Nationals colleagues hard to fully fund this project, and I couldn't be happier with today's announcement. By fully funding the project we have cut the red tape and can get on with delivering the bypass

Dungog Shire Receives \$16 Million Commitment For Bridge Repair Funding

'Dungog Mayor Tracey Norman said it was a fantastic outcome for Dungog, and expressed her gratitude to Michael Johnsen and the NSW Nationals in government.'
