To whom it may concern,

We are a family living in [REDACTED], we already pay hefty council rates and will really struggle with such a significant increase based on our current earnings. As I understand it our rates are far higher than those in Waverley Council, I don't believe that higher rates are necessary or fair particularly given that wages are not increasing in Sydney but the cost of living continues to sky rocket. Please re consider such a rate increase for our local area.

Kind regards,
Gloria Barton
