HELENA BARROTT

I PART.

P.O Box K35.

HAYMARKET Post SHOP

N.S.W. 1240.

MY SON. B. BARROTT is writing this letter to object to the Shoalhaven City RATE Rise of 28% over Two years for me.

I AM A PERSON OF 82 years. I came from Poland after the WAR, with my family, with nothing. We worked hard and at 82 I now live in my own home on the Pension. I Don't Drink, smoke, or Gamble and live well on the Pension.

With the Rising Cost of Food, TRAVEL, Doctor's, Electricity, Phone. I find it harder to make END'S MEET. I HAVE to cut BACK to PAY MY Bills - WHY is SHOALHAVEN city council not Tightening it's FINANCE'S to meet it's commitments.

A. 28% RATE INCREASE over 2 years would cause me personal Financial HARDSHIP, Will the FEDERAL GOVERNMENT RAISE MY PENSION 28% over Two years. How DO I apply.

AT NO POINT HAS SHOALHAVEN city Council said How Much IT will Collect with the Rate Rise of 28% over Two years.

I FEEL I AM BEING PUNISHED FOR working hard and owning my own home and now Government's are trying to force me into an old age home - I DO NOT NEED THIS STRESS and HARDSHIP at my age and over 70% of Shoalhaven Residents are Retiree's

Thank you. B. BARROTT.
