Submission: I am satisfied with Strathfield Council's management of the area and object to having my property and services transferred to Bankstown Council, I identify with the Strathfield community, not the Bankstown area., I am concerned this takeover would result in a loss or decline in services and the management of the areas assets and infrastructure, I note that Bankstown Council has revenue shortfalls and are proposing significant rate increases to pay for its own revenue shortfalls, debts and asset backlogs, I am concerned for the loss of community facilities, parks and open spaces and declines in standards or service and infrastructure management if taken over by Bankstown Council
