

29. 7. 2016.

To the Tribunal,

Both my husband & I have lived in Surry Hills for fifty years. We have seen many changes in the area in that time.

Claver Moore has improved the area and it is a pleasant place to live. We wouldn't live anywhere else. We both strongly object to the amalgamation of councils. Why try to change when the present council is doing a brilliant job.

Yours faithfully

Maxine Ranby
