Submission: I have been a resident of [REDACTED] for 22 years, I cannot believe that council is doing this to us, my husband was semi retired and now has to work full time again so we can continue to live in [REDACTED]. I believe the council misled us and knew full well that after raising our rates from \$ [REDACTED] a year to \$ [REDACTED] and now that want another 30% on top of that, This council is arrogant and refuses to listen to the community they should be replaced. regards Pauline Sammut
