Subject: PSSC Rate Rise

I feel strongly that any increase in our Rates would create great hardship to the residents of Port Stephens, House prices are down, shops are empty in most arcades through out Nelson Bay & Salamander Bay. Why would any Council increase Rates in this economic uncertainty, let's hope Port Stephens Councillors listen to the Rate Payers & not implement this outrageous increase, Consider who voted you into Port Stephens Council to represent the Rate Payers. Kind regards Rhonda Henry, Soldiers Point
