**Subject:** We Support Ashfield Pools

Hello,

Please don't close Ashfield Pools. It has been part of this community all my life and I totally support the upgrade.

My daughter and I use the pools regularly, and I believe with better facilities it will be a drawcard for the area. It could also play an important role in vacation care which is an increasing need in this area.

The Council's role is to provide a mix of community recreational areas and the pools, is a critical component of that.

Please invest in upgrading its facilities.

Many thanks - Skye
