Submission: I am opposed to the forced amalgamation of Leichhardt Council.

It is just the right size. I can access Council's offices very well. Leichhardt shares purchasing and other services with other Councils at the moment.

I can access the Councillors, Mayor and Council staff without difficulty.

If there is a Council of 400,000 people it will not work. BIG IS NOT BETTER.

It is all a political ploy to shut out Independants and smaller parties.
