Mr T G Parry

Dear Sir,

Re: Hunter Water Corporation – Review of Operating Licence

The Committee wishes to thank the Independent Pricing & Regulatory Tribunal for its letter dated 19th July 2001, regarding the review of Hunter Water Corporation's current Operating Licence.

The Committee advises that Hunter Water Corporation shows a continued commitment to complying with all Committee requirements under the Dams Safety Act, 1978. Appropriate pricing should continue, to enable the funding of the long-term dam safety programs for Chichester and Grahamstown Dams.

Yours faithfully,

for N. J. Himsley
Executive Engineer
