Submission: Have they not done enough damage to the Catherine Hill Bay area with their Monstrosity of a development now they want to poison our waterways and beaches with their WASTE WATER!!!!!!!!!! 160,000 LITRES A DAY!!!!!!!!!!!! This has environmental disaster written all over it. Solo Water can make all the promises they like but unfortunately accidents do happen. Surely common sense will prevail. SOLO WATER can not be granted permission to DUMP 160,000 LITRES A DAY OF WASTE WATER INTO OUR ENVIRONMENT!!!!!!!!!!!!!!
