Subject: proposed railfare increases

Dear Sir/Madam

Given the poor service experienced today with overcrowded trains, lack of inspectors with regards to behaviour of passengers, the present cost of weekly railtickets is already far too high.

Therefore in my opinion it is totally unwarranted to consider a further increase in fares.

I am convinced not to be a Robinson Crusoe in this but the excess to the website (www.ipart.nsw.gov.au) is too complicated for many. There should be an easier way to type in comments/complaints.

Thanking you for your attention,

I am yours sincerely
